

For Immediate Release

November 5, 2010 **GS Battery (USA) Inc.**, honored David Martin, Telecom Field Sales & Service Specialist, and John McDonald, Regional Sales Director & Florida Operations Manager – **Telecom Services Group, LLC** for their success in winning the initial order from a national telecommunications company based in Louisiana. Bill Cunningham, Director of Telecom and UPS Sales, made the awards.

“David and John’s understanding of our customer’s business needs and product applications were critical to getting this order”, said Cunningham. “The team’s hard work and dedication to bringing a solution based proposal are proving to be the best way to grow our business.”

Ken Hurst, President, Telecom Service Group, LLC, said “John and David are a very effective team, working together to exceed the customer’s expectations. John’s experience and understanding of the customer’s unique operational issues was a deciding factor in winning this initial order.”
